

Write a review of your medical tourism experience

Posted by keithp - 2008/06/18 14:10

Treatment Abroad (www.treatmentabroad.com) has introduced a Ratings and Reviews system whereby patients can publish their ratings and comments about their experiences of travelling for treatment.

Patients want to know about other patients' experiences. Treatment Abroad Ratings and Reviews provides helps you to make the right choice of provider if you are thinking of travelling for treatment.

To submit a review:

Go to: www.treatmentabroad.com/medical-tourism/directory/ and search for the company, hospital or clinic in the listings. Then select "Write a review" the company/hospital/clinic's page.

You can view the Ratings and Reviews at <http://reviews.treatmentabroad.com/>

I agree...thats a good site to read and write a review.

But please advertise at the right place..pls contact webmaster for placing ads.
